

Vegetables:

Sow broad beans now, they like to grow when the weather is cool, and should be ready to pick in October. Before sowing, give the soil a good liming and some old compost. They

don't like a high nitrogen fertiliser; this promotes leaves at the expense of the flowers.

Peas – seeds which also like a good liming before sowing.

Cabbage & onion seedlings can also go in now.

Flowers:

Seedlings available now – alyssum, Canterbury bells, carnations, cornflower, delphinium, dianthus, hollyhock, russell lupins, pansy, viola, primula, snapdragon, stocks and wallflowers.

Sow seeds of sweet pea and prepare the soil as for vegetable peas.

This is the time to choose your Autumn coloured trees & shrubs. They should be showing their colour now. Here are some examples:-

Forsythia has purple foliage; Kellers Berberis has magnificent orange leaves; Blue Berry has brilliant red leaves at this time of year; Viburnum Burkwoodii (snowball) has leaves of

reddish brown and orange.

There are many more Autumn toned plants to choose from.

Plant of the Month

Viburnum – the Snowball Tree

This is a fragrant flowering tree and shrub related to the Honeysuckle, Kolkwitzia & Weigela. They are native to the cooler climates of the northern hemisphere, and welcomed worldwide in temperate gardens.

There are over 200 odd species, some are shrubs. Viburnums need water and a good rich soil to look happy and flower well. They are usually propagated from cuttings of half-ripened wood.

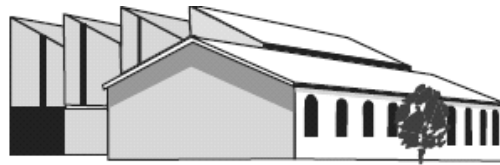

One of the varieties is Guelder Rose which is familiar in North Africa, Europe & northern Asia. Growing to 5 metres & more, it is an attractively deciduous tree with large 3-lobed hairy leaves that colour marvelously in cold areas. It flowers in Spring with flat Hydrangea-like white blossom.

Other tree-size Viburnum includes the North American Arrowwood, *V. dentatum*, with deciduous glossy oval leaves.

This grows to 5 metres, has white Spring flowers and dark blue berries.

Locals Linking Landscapes

Following the public meeting held at Windellama on 13 February on the Locals Linking Landscapes nearly 20 expressions of interest were sent to David Hilhorst at the Upper Shoalhaven Catchment Authority (USCMA). This represented a good response to the interest demonstrated by the attendance at the public meeting.

A group has met to analyse the expressions of interest, to identify linkages and connections with concerns raised at the meeting and between the proposed projects. The cluster of proposed projects form a virtual corridor – with the possibility of developing links with a number of outlying proposals. It is expected that further examination will be undertaken of the proposals and discussions held with individual land managers.

As the projects and their interrelations develop we will attempt to keep those members of the community who attended the public meeting or indicated their interest in other ways informed.

Awareness raising, skills and education were proposed as part of the solution to several of the issues raised at the Windellama Locals Linking Landscapes gathering. As a result and to get the project happening the USCMA has arranged the following one day workshops - subject to demand.

Box Gum Woodland: 24th April 10am-1pm

Box Gum Woodlands cover large areas of the local Windellama area. They contain communities and species that are rare and endangered. Learn how to recognise and manage Box Gum Woodland for conservation and production. Learn about the role of grazing animals in Box Gum Woodland management at Windellama Hall.

Carbon Farming Course. 15th May 2010

Carbon farming is about storing carbon in our soils to improve soil health and productivity. It results in a reduction in Australia's total Carbon Dioxide emissions. Learn about how it's done and the potential for trading Carbon Credits.

Salt of the Earth. 21st-22nd May 2010

This will show you how to spot salinity on your property. Learn what can be done to minimise its impacts and how to regain production from

those unsightly bare patches.

If you are interested in any of these workshops at Windellama, please contact David Hilhorst, Southern Rivers CMA, Braidwood on 4842 2594 as soon as possible.

Pine trees

John Pearce is seeking opinions from the last lot of pine tree purchasers about their success or otherwise with their last lot of plantings. If results from tube stock, which we supplied for the first time last year were not superior to bare rooted stock we might return to

supplying the latter because of their lower cost.

John has requested that anybody who purchased the pine trees in tubes last year contact him with their opinions. You can contact John Pearce on 4844 5244

Membership fees

This is a reminder to members – old and new – that membership fees are now due – it is \$5.00 for family membership – meet locals, make new friends and help look after our land.

Busy bees

There will be busy bees at Oallen Ford on Saturday 1st May and Sunday 16th May to work on the new extension to the cable fence.

Please bring shovels and work gloves on the 1st May (concreting in posts) and really good work gloves on the 16th May (threading steel cable)!

As usual morning tea and afternoon tea and lunch will be provided.

If you are able to come on either day, please let Joy (4844 5225) or Sandra (4844 5047) know for catering purposes.

See you there!

Youth Week 2010 - Live it Now

Book 2 Art competition for ages 12 – 17 years of age.

Do you have a favourite book? Are you a fan of fantasy? Do you get a bite out of vampire novels or a kick out of action/adventure novels? Have you read a book five, 10 or even 15 times and cannot get it out of your head? If so, share it with the world through Book 2 Art (B2A), by using your favourite book as the inspiration for an artwork.

B2A is an opportunity for young people 12 – 17 years of age to express themselves and their favourite book by creating an artwork based on their interpretation of the book.

You can paint, draw, collage or do a 3D sculpture: just pick up an entry form and free canvas from the Goulburn Library anytime after Monday March 15. Return your completed artwork to the library by Friday, April 16 with your entry form.

Artworks will be displayed in the library from 19 April to 31 May. All artworks will be judged by independent judges and prizes will be awarded to the winning entries.

1st Prize -

\$100 gift voucher from Harvey Norman

2nd Prize -

\$50 gift voucher from Arthead Goulburn
People's Choice Award -

GOD'S REMNANT ASSEMBLY AUSTRALIA (GRA Australia)

Would you like to know more about Jesus?

Do you want to know the LIFE He has for you -

your destiny, your gifts, your purpose?

We are a husband and wife team with GRA, a trans-denominational missionary movement. GRA works around the world, including Iraq, Iran, Afghanistan, Nigeria, Sudan and is new to Australia. We believe Australia needs the Word, fresh and new, as it is being shared around the world and setting lives alight with the beauty and Truth of Jesus.

We have started a home Church in our community and introduce ourselves – Bunja and Judith Smith. If these words have stirred or touched you please contact us to hear more about this Ministry that is new to Australia:

by phone - 0401 912 193 or by post -
