Buyer Beware

Please share this with all the pet owners you know and ask them to do the same. This information will only take a few minutes to share & might prevent the senseless death of other pets. Please tell every dog or cat owner you know.

Cocoa Mulch, which is sold by Target, Foreman's Garden Supply and other garden supply stores, contains a lethal ingredient called 'Theobromine'.

It is lethal to dogs and cats. It smells like chocolate and it really attracts dogs. They will ingest this stuff and die. Several deaths already occurred in the last 2-3 weeks.

Although the mulch has NO warnings printed on the label, upon further investigation on the company's web site, this product is HIGHLY toxic to dogs and cats.

Windellama Garden Club

We have enjoyed two outings recently to Garden Club members homes and had a really great day out at each. Many thanks to Jenny and Colleen for opening their homes and gardens to us.

As the attendance was down at our last meeting our AGM had to be postponed until the 28th July due to some sick members and others who couldn't make it. So it will be at Colleen Ellis' home on 28th July at 10.30am.

We are fast approaching our Cancer Appeal Day to be held on the 14th August at the Windellama Hall. We will have a well stocked stall, chocolate wheel, hot food and a raffle. A lovely quilt kindly donated by Catherine Levy from Braidwood will be first prize and a food hamper will be second prize.

Don't forget our cake auction which will take place after lunch, our auctioneer again being Grahame Welsh who always donates his services. You can DONATE a cake or you can BUY a cake at the auction.

Do come along and support a worthy charity.

WINDELLAMA PROGRESS ASSOC. HALL Inc.

JUST TRIVIA returned to Windellama in July. An enthusiastic crowd enjoyed an evening of fun and games. A close contest resulted in a win for the 5 Pens team and the many raffle prizes were shared around the hall. We hope to organise another evening in a couple of months.

The Outreach Meeting organised by Goulburn Mulwaree Council was held at the hall recently. The Mayor, General Manager, councillors and staff members joined a large group of local community members who were able to voice concerns, ask questions and express opinions on matters affecting their lives. We received an update on road upgrades, new rating policy and various other aspects of Council activities.

Plans for the Field Day are well advanced. Any ideas to expand the demonstrations and exhibits this year would be most welcome.

The Progress Association meets monthly, at the hall, on the third Monday at 2 p.m. All members of the community are welcome at our meetings.
