All cheques please post to:

**The Secretary, PO Box 705, Goulburn. 2580**

\* Unpaid subscriptions will be cancelled after one month

If you have any short articles, anecdotes, or something else interesting about yourself, your family, or the community; please write it down and drop it in our letterbox at the Hall. We will edit it and publish it in the Windellama News.

**A LOCKED POSTAL BOX IS AT THE FRONT OF THE HALL, 3444 OALLEN FORD RD, IN THE STONE WALL FOR THE COLLECTION OF ITEMS FOR PUBLICATION**

**Items left in the box after the deadline will not be collected or included in the News**

Articles, adverts, etc may also be sent by email to:

[newswindellama@gmail.com](mailto:newswindellama@gmail.com)

**Adverts sent by email will not be inserted unless payment is received by the deadline.**

## Our Policy on Receipts

The Windellama News makes out a receipt for all advertising payments made to the paper. We don't post out receipts to save cost and we assume that the appearance of the advertisement in the paper could normally be taken as proof of payment. If you require a posted receipt please include a stamped self-addressed envelope with your payment.

It would be greatly appreciated if anyone sending money to the Windellama News would include their name and address and a note saying what it was for and put it in a sealed envelope. This would avoid a lot of confusion and uncertainty .

## Notice to advertisers, article submitters & readers

The Windellama News is published and authorised by the Windellama Progress Association Inc. # Community Notice Board

Reply to Progress Pressident Mr Gary Lourigan from Council re Windellama Road

Dear Mr Lourigan

I refer to your email to the CEO regarding the road the conditions on Windellama Road. Aaron has asked me to respond directly to you on his behalf.

## **Road Failure**

Council staff and our contractor were aware that the sealing on Windellama Road Stage 3 has not bonded. I can assure you it is not related to lack of Quality Control. The issue was related to partially blocked jet nozzle on bitumen sprayer truck and was not spraying as per design spread rate. The contractor has been to the site and made the necessary repairs. There was no additional cost to council.

## **Further Work**

### ***The current status of Windellama Road being given state road status***

The application for Windellama Road reclassification from local to regional was submitted to TfNSW 17 December 2021. On 25 January 2023 we received the following reply:

*The Terms of Reference set for Independent Panel's required they submit a Final Report (the Report) to the Minister for Regional Transport and Roads for consideration.*

*It is understood the panel completed their work late-2022 and provided the Report in November 2022. It is expected the NSW Government will need a period of time to consider the Report's findings.*

*Timeframes for any announcement from the NSW Government on how the Report has been considered are yet to be confirmed.*

### ***When the outrageous condition of the road for at least 1km back towards Goulburn from the Windellama school will be repaired.***

Council has been successful in receiving a grant to repair a section of 6.75Km Windellama Road from Lumley road intersection to Elouera lane. The works are expected to start in September 2023. Works will continue to early 2025.

This work will connect Stage 1 and 2.

### ***Why the Mountain Ash Road wearing course was resurfaced although only being completed the same time as Stage 1 of Windellama Road Rehabilitation. At the 7 Nov meeting that section of road was held up as perfect and what a road should look like. Yet it got resealed! How much of Council's money was wasted here?***

Mountain Ash Road reseal was delivered as per the project specification. There are two seals necessary to ensure that the road is built to the correct engineering standards. The first seal was completed in August 2021. The final seal was completed in mid-February 2023.

This was accounted in the Project budget

Yours sincerely

## NSW RURAL FIRE SERVICE

### Windellama Rural Fire Brigade

**Annual General Meeting.** The brigade held its annual general meeting at the end of June. Congratulations to the following members on being elected to the brigade's leadership positions for 2023/24. In a show of confidence and recognition of a job well done, all field officer and administrative position holders were voted the same as the previous year:

- President – Rex Hockey
- Treasurer – Kym Wake
- Secretary – Peter Pokorny
- Captain – Brett Roberts
- Senior Deputy Captain – Brendan Shannon
- Deputy Captains – Paul Alessi, Thomas Shannon, Wayne Back and Scott Molloy.

**Member of the Year.** The Annual general meeting is also a time for the brigade to recognise those who have made a significant contribution to the brigade during the year. Congratulations to Murray Browne who is the Windellama Brigade 2022/2023 Member of the Year. Murray was recognised as member of the year for his dedication as Equipment Officer where he has spent countless hours on maintenance and improvements to our equipment vehicles and station. Murray is also a great firefighter who has made it to most of our callouts throughout the year. Well done Murray!

#### Brigade activity

- Three units from Windellama and one from Tarago responded to a large storage shed fire. The fire was prevented from spreading further but unfortunately the building and contents were all destroyed. The blaze took several hours to be fully extinguished.
- Two units responded to a pile burn that had reignited several weeks later via smouldering underground roots of a pine tree.

The Windellama Rural Fire Brigade will continue to work hard to protect our community, but we need everyone to do their part to keep our community safe. Let's all work together to ensure that we are prepared and ready for whatever the coming fire season may bring.

In an **emergency** or if you see an **unattended fire call Triple Zero (000)**

## **May 2023 Rainfall at our place**

For May, we had an additional capture of moisture in the rain gauge of 5.5mm, equalling 20.5 mm for this month at our place. The lowest recorded rainfall for May at our place was in 2018 where 15mm was recorded.

Last year at the end of May, total rainfall was 571mm. This year total rainfall to end of May is 299mm.

## **June 2023 Rainfall at our place**

Up to the 18<sup>th</sup> of June we have received 15mm of moisture in the rain gauge.

## **Windellama Road Gardening**

The tall Pine Trees growing along Windellama Road are known as Maritime Pine trees and have been grown on many properties for various reasons. Now, after many years they have reached great heights, especially the ones growing close to boundary fences along Windellama Road. Due to age and combined with the weather elements, like wind and rain, they are starting to die and topple over. The ones that fall onto the road are quite expensive to their property owners to remove.

When I was young, we called these trees Monkey Nut Pine Trees and the cones my mates and I preferred were always at the top of the tree. Why did we call them Monkey Nut Trees? Possibly because you had to have the skills of a monkey to reach the top of these trees? When I think back to these days, I suppose it was the challenge of climbing the tree because the nut flesh was not to my liking!

## **Soil Conditioners**

Another good soil conditioner is compost that improves the microbial content of the soil, plus worm content, which in turn makes the soil more friable and thus the seedlings planted, have a better chance to thrive.

You can make your own compost and there are many recipes for doing this but once again, compost like using cow manure, takes time to prepare.

Sources of compost are garden centres where purchases are mostly in bags, in some cases they have bulk where you can get a trailer load or a truck load delivered.

The Goulburn Rubbish tip has bulk loads that can be purchased by the trailer load at a reasonable price, as do Soil and Gravel places in Goulburn.

## **Roses**

In our rose garden currently there are only about 2 or 3 that are completely losing their leaves and going into winter dormancy. The rest, are all sprouting new growth and after a season where not much growth occurred with the majority, there will be no need to prune, perhaps, a little tidying up?

On the other hand the smaller roses in pots are starting to drop their leaves, looking shabby, as they do in winter, so will need pruning. I do not prune to at least the second week in August and sometimes latter. These pot grown roses will also need new potting mix to replenish the levels of

mix the has sunken and also, to improve the existing mixture so that the drainage when watering is better. This task will happen when these roses are pruned.

### **Jobs for the month at our place**

The frosts we have had, have turned the dahlias brown and it won't be long before I will need to tidy them up. All the seed from the existing dahlias will be saved and scattered throughout the various gardens. The last few years of doing this has seen different colours and types produced, giving us variety that we did not start off with.

The creeping ground cover weeds are on the move, so will need a feed of weed poison.

Our grape vines have lost all their leaves and will have to be pruned.

The prickles are starting to grow and also need a feed of weed poison.

## Windellama SES First Aid & CFR

From 27th May 1 call out at Oallen Ford, camping ground..

1 on the Fist June at Lake Bathurst also a roof job on Windelllama road.

3rd call out at Lower Boro medical

Megan 0458 603 234  
Michael 0409 915 491**

You can plant roses and fruit trees and flowering trees and shrubs this month.

Rose and fruit trees pruning can start this month. Make sure you pick up and deceased leaves and fruit which are on the ground, to help the fruit trees recover from the problem, and do not put the leaves and the fruit into the compost. You can move your trees at this time.

VEGETABLES TO SOW NOW;

Broad beans, peas and all varieties of onions, strawberries, and asparagus and rhubarb crowns.

FLOWERS;

Seedlings for sowing; Stock, viola, primula, wallflower, russel lupins, delphiniums, foxglove, poppies, sweet Williams and calendula, alyssum, snapdragons, verbena, dianthus, and Virginian stock which makes a lovely boarder.

Grow winter herbs such as parsley , sage, and rosemary, you may need to cover small seedling if a heavy frost is due, also put out snail pellets.

It time to

Reduce the amount of food scraps you give to compost worms as they eat less when the weather`s is cool. If the worms are too wet try adding dry material such as shredded paper, or dry compost or hay. Also cover the bin with a old piece of carpet to help keep them warm.

You can propagate roses cutting now.

You can trim the outer foliage of conifers, but avoid cutting back into bare branches as they won`t re-shoot.

Improve the soil by blending in organic matter and compost while the weather is cool and it`s easier to do hard physical work.

Cut off old woody hydrangea stems at ground level.

Last spring I grew parsnips, I had a great crop very heavy roots.

Tomatoes grew well but some didn`t turn red, but that was okay I needed them for green tomatoes pickle. Also had lots of broad beans.

# Tarago Market

We would like to invite you to apply for the next Market in Tarago on July 15th. This market has a theme!

Did you know Tarago is a hotspot for truffle farming? This July market will be a celebration of Truffles! Winter is Truffle season in Tarago.

## **A Taste of Truffles!**

Local Truffle farmers will be there, there will be Truffle themed food in the kitchen, this time raising money for the Tarago Area Women's Shed, and much more still in development. Plus the Braidwood Car Club will be there with all their beautiful vintage classic cars!

## **IMPORTANT!**

Because it is winter, we have decided that this market will be **INDOORS ONLY** and limited to **ONE TABLE PER STALL ONLY** with some exceptions as decided by the committee.

It is still only \$10 per table.

These changes will only apply to this July market.

Another important note is that **APPLICATIONS ARE DUE BY JULY 4th**.

You will then be notified shortly **AFTER JULY 4th** if you have successfully been accepted into the market on July 15th. As always, just because you have submitted an EOI does not guarantee you a space.

We have become very popular and we need to manage minimising stalls with duplicate types of products to be fair to everyone and maximise enjoyment for our customers. It is also **MUCH PREFERRED** to submit your application via the google form linked below. This is to help minimise miscommunications that arise.

Please fill out the google form at the link below. The paper version of the form is being updated and will be sent out soon.

**\*\*\*\*FILL OUT APPLICATION FORM HERE\*\*\*\***

<https://forms.gle/8oWG69Egd7DXH6A57>

I look forward to seeing you all there on July 15th whether as a stall holder or customer, thank you for your support!

Thank you,  
from the Market in Tarago organising team  
Jess, Clare and Felicity

The cold weather has certainly arrived but luckily the heaters in the Shed have kept the rooms acceptably warm. We spent time finding all the hidden cracks and crevices that let in cold air and most are sealed now. It's amazing what you can do with bubble wrap!

Jim, our area representative, visited the Shed. While he was there he showed us an interesting whet stone you can use to sharpen tools and knives, and the correct way to use it. It's all about getting the right angle on the edge (between 15° and 45° depending on the blade) when sharpening and using long, consistent strokes on the stone. We have a variety of whet stones at the Shed, now including the one he showed us. Members could bring a blunt knife and have a go sharpening it. It would be a good idea to start with a cheap knife until you get the hang of it.

Tina from the Veterans Shed at Tuggeranong also came to visit. This Shed has both women and men members. They have just made a Craft Room for those who are less interested in woodwork but still want to get together and "make stuff". We have taken that idea on-board and are have set up an Arts and

Crafts Corner with sewing machine, paints, beads, paper, how-to books etc. If you have any suggestions on what to include please let us know.

## IN THE SHED

Kerrie has made some fabulous and colourful resin based drink coasters, key rings and jewellery items. She is also using decoupage to make coasters and other items. Sam has started to sand back and renovate a lovely old hall table. The intricate carvings are slow going but the end result should be worth the effort. Jenni is starting a major project – building a sliding barn door from recycled floorboards, mostly cypress pine. This door will be hung between the tea room and the workshop to help keep the tea room warm and dust free. Clare is working on her crochet articles that she sells at the markets. She can chat, drink chai tea and crochet at the same time! Of course, we also have members like Leanne and Pam who drop in for a chat and a cuppa and cake. Everyone is welcome.

*(Continued on page 18)*

## Bungonia Events update plus dates for your diaries.

**Bungonia CAFÉ : URGENT INFORMATION ABOUT CHANGED TRADING TIMES :**

**NEXT CAFÉ dates : ;NOW OPEN ONLY on the FIRST and the THIRD SUNDAYS in the MONTH.**

The Bungonia Community Café is open in the Bungonia Hall King Street **SUNDAY 9-11 am** Run by community volunteers, it raises money for the Community hall and activities; You are welcome to join us, gain and exchange skills, have fun and contribute to your community as well. ## **UPCOMING EVENTS**

TAWS will be running the Hall Kitchen at the next Tarago Market, July 15, as a fund-raising event. We will be selling soup, toasties and cake/slices. We will also have plunger coffee, tea, hot chocolate and chai.

## **WORKSHOPS**

- 30 July – Making drink coasters from different materials.
- 20 August – Basic care car clinic.
- 10 September – Terrariums and indoor water gardens.
- 1 October – Christmas tree table ornaments.
- 12 November – Basic welding.

Please, if you have any suggestions or questions, please comment on our Facebook page or email [taragoarea.womensshed@gmail.com](mailto:taragoarea.womensshed@gmail.com)

## Thank You Notes

Hello folks! First off, we would like to thank IGA Bungendore for the Saturday morning B.B.Q. and for helping the Men's Shed with fund raising, once again.

The next big fund raiser for the shed will be Friday night raffles at the Loaded Dog during the month of August. The Shed will also be selling tickets for the Father's Day raffle, which will be drawn on 3 September, also at the Loaded Dog.

## Men's Shed May Catering News

The last Shed BBQ was well attended, and everyone enjoyed the slightly spicy rissoles, lamb kebabs, and rolled chicken and tomato and cheese and some Italian sausages. The July Shed BBQ will be held on Saturday 29 July at 11:30 am. This is for our members and prospective new members, so come along and see what happens at your local Men's Shed. Cheers Cookie

## Men's Shed Projects

Many individual jobs are being undertaken by members of the shed.

The Men's Shed is always open to any community project they can help with. We have expertise in many fields so if you need help and advice on a community project, please give us a call.

Our day trips to places of interest are a great success. Thanks to those people who have assisted with organising these events. Suggestions of places to visit are most welcome.

The Shed continues to be a hive of activity with benches always full of projects, Doug is working on a box for Denzel so that he can store and present war medals. Terry is working on the steam engine. (See photo) Not sure who is older, the engine or Terry!

Chris and Bob are working on some stain glass windows. Lessons for this will be arranged in the shed. We have also been donated some leather making tools so lessons in leather craft is on the cards. Remember if you want to come down for cards or darts just rock up.

We have had some interesting machinery donated to the Shed and our thanks to those people who supplied them.

Please be safe and look out for each other, if in doubt, call out for help.

Dominic Johnson  
Secretary  
Tarago District Men's Shed

# Heard of Wiltipoll Sheep?

The Wiltipoll is a hardy, prime lamb, wool shedding breed developed in Australia

- ✓ Full wool shedding – no costs of shearing
- ✓ Fly lice & grass seed resistant
- ✓ No jetting dipping or mulesing
- ✓ Stays in allocated paddock
- ✓ Superior quality meat sheep
- ✓ Ideal for organic lamb production - consistent multiple births

## Goulburn & Surrounding Areas

Shower Screens Frameless \* Semi-Framed \* Framed

Mirrors Bevelled \* Polished Splashbacks

For our June meeting, we all gathered at John's property along Sandy Point road. It was pretty cold, as you would expect for the beginning of winter, but there were some occasional bursts of sunshine to thaw us out and John had his fire going inside, which made it nice and cosy for our meeting. As usual, members provided an excess of food for our "morning tea", which meant that most of us gave lunch a miss that day.

We welcomed three new people to our little group, Chuck, Cherrie and Josh, and hope that they will become regular members. Cherrie is having trouble with her lemons and the general consensus among members is that it might be a mineral deficiency, which could be treated with a liberal application of liquid urea. Josh has been put on the job.

During our garden walk we took the opportunity to re-visit the claret ash that John moved a year or so ago when it was several metres tall. A difficult job requiring some use of some heavy machinery, but very successful, as the tree is still looking good and growing well. Let's hope he doesn't want to move it again.

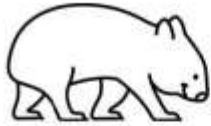

John's garden is thick with a large variety of trees and shrubs and must keep him quite busy. One of the key features is that as you wander through the garden, you come across different plantings – a bit like a free-form maze, although you can always find your way out. This layout makes exploring the garden all the more interesting, as you don't know what you are going to see next.

John's vegie area consists mainly of raised beds in old bath tubs. The idea is to keep the vegies high enough to prevent marauding pests from enjoying the fruits of John's labours, however the rabbits can jump pretty high and have to be fenced out as well. Apart from the local rabbits plundering the vegies, the bower birds are having a good time digging up everything that they can. Even so, John's vegie garden looks pretty good and his carrots and rhubarb are doing particularly well.

Kym brought in a large bucketful of passionfruit to share and assured us that there was plenty more where that came from. His daffodils and jonquils are starting to show their new growth and should provide a spectacular show in the months to come.

Association

Carolyn is excited about her broad beans, carrots and garlic which are all coming up. She is looking forward to a bumper harvest, providing the rabbits and birds don't get in first.

Irene's peas are coming up nicely and her nashis are bearing very well this year. She has already harvested 10 bucket loads from one tree, with more to come. Irene also brought in a huge potato that she had grown. We all thought it bore a remarkable resemblance to Lloyd, and wondered what exactly he had been doing in the garden at night.
