### OUTREACH MEETING WINDELLAMA HALL Tuesday 12<sup>th</sup> July 2011

Please join the community of Windellama to put your views to Council, regarding the rumoured plan to bring the Main Road 92 extension across the Shoalhaven River along Oallen Ford Road. This decision affects us all, for better or worse.

Whether you are for or against the proposal, it is important to put your point of view to Council. This may be your best opportunity.

Further details of the meeting will be advised closer to the date.

## Minda Landfill refusal

Council has considered and refused an application to increase the amount of non-putrescible waste received at the Minda Landfill at 2622 Oallen Ford Road, Windellama.

The modification application was refused on a number of grounds, including:

- The proposal represents an unacceptable intensification of the present use and may adversely impact on the environmental value of the site and locality,
- The proposal would have an adverse affect on the amenity of the area,
- The development is undesirable in terms of the impacts caused by the proposal on the road network, and
- The proposal is undesirable in terms of the level of concern expressed by residents.

## Book Review

Having just been privileged and enthralled by "Challenging Lives", the memoirs of Paula and Julien Vanslambrouck, ex Windellama, I felt that everyone should have the opportunity to read the story of their full on fascinating and interesting lives.

Paula is 89 and Julien 4 years younger, and they are still wanting to do more.

They were responsible for getting the Windellama News letter going as well and so much more, I also have been since told that Paula was one of the people responsible for getting the new Goulburn Library. Julien was awarded the Premier's Award in 2011...these are just a couple of the attributes given to this couple of wonderful people who live their lives every day. Don't miss it it is a wonderful story. I could rave on about the book non stop, but you need to read and enjoy it, the lives of two incredible people...

## Windellama Garden Club

We had a quick meeting before our outing to Kenmore museum and it was decided we would purchase a new microwave oven for the Hall kitchen.

Our visit to the museum was very well attended and observed with great interest. We had a nice tour with leoni of the museum and grounds, many thanks to her from all of us.

We are getting organised for our Cancer Fundraiser da on the 13th August at the hall. We will be around with our raffle soon as we have another lovely quilt sewn and donated by Kay Cruise to sell tickets for.

Our next meeting will be on the 15th June at Sandy Marshall's home at Bundonia Heights at 10.00 am.

## Windellama SES First Aid & CFR

There is very little to report this month, having only had 3 callouts.

The plans for our S.E.S. building are, I am told, still in the hands of the Crown Solicitor.

May I, on behalf of the "Team", thank those people of whom we have come into contact with, who have been kind enough to thank us for our efforts.

This makes the job seem very worthwhile for us.

Remember folks, we are still trying to recruit new members to our C.F.R.unit. You may contact the undersigned for further information.

Regards Kevin Muffet

Team Leader Goulburn---Windellama  
S.E.S.& C.F.R..

Can Assist Goulburn and District Branch has been very busy with fund raising since the 20<sup>th</sup> April. The management of Harris Scarf in Auburn Street kindly offered us a table outside their store to sell raffle tickets on Wednesday 20<sup>th</sup> and Saturday 23<sup>rd</sup> April. They also kindly donated all the prizes for the raffle. The prize winners were Jenny Gordon, Sheryle Jacobson and Chanel Conner. Can Assist thanks everybody who took part in the raffle as well as those who made donations.

We gratefully accepted an invitation by the Cancer Council to operate a table at the Cancer Expo at the Soldiers Club and found that it was a great opportunity to network with other people and organizations who are involved in cancer. We made many good contacts, and had an enjoyable and productive afternoon chatting with the members of the public who attended the expo.

On Sunday 1<sup>st</sup> May, we were involved with the Classic Riders Charity Bike Day. Our day began at 8.00 a.m. in Belmore Park, setting up an early morning tea for the bike riders. Then after the riders left for their ride, we moved to the picnic area at Marsden Weir where we set up for lunch. When the riders arrived at midday we served a sausage sizzle, with cake as dessert, and tea and coffee. At both these functions the bike riders were very generous with their donations, which the Classic Riders Club of Goulburn has subsequently matched.

This however was not the end. On Saturday 7<sup>th</sup> May, the Can Assist volunteers set up a stall at the Goulburn Lilac Markets. The markets are a very convenient place to be seen and to advertise our services. We also sold small gifts that could be bought for Mothers Day.

Our next function was a garage sale on Saturday 14<sup>th</sup> May. This garage sale was not as big as the one that we held last year.

All money raised by Can Assist Goulburn and District Branch stays in the district to help families in need because of cancer. If you are interested in helping or becoming a member, our next meeting will be held on Thursday, 19<sup>th</sup> May, 2011, commencing at 6.00 p.m. at the Soldiers Club.
