PRESENTATION NIGHT 2007

Thank you to everyone who came to join in our Presentation Night. The children always enjoy performing for an enthusiastic audience. We all survived the very cool evening. Congratulations to all the children on their performance and to all the award winners.

2008

The school has had a great start to the year. The children are already well settled and working hard. The new Kindergarten children are enjoying being at "big school".

SWIMMING CARNIVAL

All the children participated in the recent Combined Small Schools Swimming Carnival in Goulburn. The students in Kindergarten, Years 1 and 2 participated in some fun tabloid activities. The students in Years 3 – 6 participated in races - 50m, 25m and Beginners Across the Pool. Everyone had a great time.

NEW PARLIAMENT

We have had our elections for the Student Parliament for 2008. The new Prime Minister is Lanais and the Deputy Prime Minister is Toby. Congratulations to our new School Leaders. The students in Years 2, 3, 4 and 5 also have roles in the Parliament.

PEER SUPPORT GROUPS

This year we are running formal peer support groups. The Year 5 and 6 students are participating in leadership workshops to assist them in running their activities. Each week we will be having some "Cooking" activities. The first one is called 'Ants in the Apple'.

P & C AGM

The P & C AGM will be on Monday 3rd March at 6.30pm.

We have a very active P & C who always contribute to assist all students at the school. Last year they subsidised the children attending the Sport & Recreation Camp, provided books for Presentation Night and contributed to the cost of the new playground equipment.

All families and community members are welcome to attend.

Please bring a plate for supper.

ENROLMENTS FOR 2008 in K - 6

Please enquire for information and a package if you are interested in enrolling your child at our wonderful small school. Make an appointment for a visit.

your destiny, your gifts, your purpose?

We are a husband and wife team with GRA, a trans-denominational missionary movement. GRA works around the world, including Iraq, Iran, Afghanistan, Nigeria, Sudan and is new to Australia. We believe Australia needs the Word, fresh and new, as it is being shared around the world and setting lives alight with the beauty and Truth of Jesus.

We have started a home Church in our community and introduce ourselves – Bunja and Judith Smith. If these words have stirred or touched you please contact us to hear more about this Ministry that is new to Australia:

Equine Influenza Update

Our current status as at 23rd February is White Zone
For the latest zone information please go to the Department of Primary Industries web site

<http://www.dpi.nsw.gov.au/agriculture/livestock/horse/influenza/movements/zoning>

Anyone planning to move horses is reminded that although testing indicates NSW is now EI free, movement requirements remain unchanged. Anyone in the White or Purple Zones of NSW who wishes to move horses between locations within their Zone must complete a Travelling Horse Statement (THS) before the journey. A completed THS form must accompany the horses on the journey. Proof of immunity is also required for movements within the Purple Zone, and permits are required for movements between zones and interstate. NSW Police are also continuing to monitor horse movements.

No easing of any of these movement requirements is likely before mid-March when the Purple Zone is expected to be progressed to Green. Severe penalties may apply for any horse movements made without the required documentation or contrary to movement restrictions

Current Travelling Horse Statement (THS) requirements for horse movements and event entry are necessary because of their importance to the maintenance of EI freedom. A THS provides a record of the horses being moved, their ownership, the route travelled and any events the horses are attending. This data, stored by NSW DPI, is essential to enable rapid traceability in the unlikely event of another EI infection.

For more information see: <http://www.dpi.nsw.gov.au/agriculture/livestock/horse/influenza/movements/permits>
