Community Garage Sale Markets a Huge Success

The Hall Markets team wish to extend a huge
Thank You

- to the volunteers who helped in a very busy kitchen;
- to the community who came out on a beautiful spring day to grab a bargain;
- to the stall holders who brought their wonderful goods to Windellama.

There were over 30 stall holders with goods that covered a diverse range with bargains galore. One stall holder even came from Wagga to attend. With so many stalls there truly was something for everyone.

At the end of the day the stall holders were happy, the buying public were happy, and the Markets team were tired but extremely happy for all your support.

To anyone wanting to have a stall with their second hand goods from their sheds/garage/house, you don't have to wait for a special Garage Sale day. Just come with your ute or trailer on any market day.

If you didn't sell all your goods and you enjoyed the friendly atmosphere of the community, come along to the next market day and rid yourself of your excess and make some money at the same time.

We also wish to thank the community for their patience regarding the small obstacle course to the Hall of the sand and pavers. The paved area is a real credit to the team of volunteers that are giving of their time to enhance your community Hall.

See you at the next Market Day on the 21st Oct.

Hall Markets team.

Australian Red Cross Personal Support

When an emergency strikes everybody wants to help. If you can't climb ladders, swing fire hose rolls, drive trucks, or do the many things that emergency workers do, there is a way you can help. The Red Cross Personal Support team is the front line at evacuation centres; giving support, advice and guidance to those unfortunate enough to be victims of an emergency.

The team is often called upon by the Police to register the victims so that they can be listed on the emergency help line. This is a very rewarding service and even little things like offering to hold a baby while mom uses the washroom can help the people at the evacuation centre.

There are many facets of Personal Support and complete training is given for your qualification as a Team Member.

A training day will be held in Goulburn on **November 10th** and I urge everybody to try to attend this.

For further information please contact me, Marianne Ronayne on 4844 5518, email: dlaughtane@smartchat.net.au or Reina French, the zone co-ordinator on 1800 621 433 or email: rfrench@redcross.org.au.

Windellama P&C Association

Monsters, Animals and Cow Pats

It's a scary thought but the end of the year is
already looming. Before the party season truly
kicks in however, the P&C has a few more commit-
ments to meet and dates for your diary.

First up is the **Monster Ball on Saturday 27th
October** at the Windellama Hall. Everyone had a
fantastic evening last year and we're expecting this
year to be even better. Dress in your monster best,
bring a supper and join in the fun.

We're also gearing up for the **Field Day on 3rd
November**. The P&C will be running two activities
on the day: an animal nursery for children to visit,
plus a cow pat lotto. Volunteers offering to help set
up, staff the nursery and to sell raffle tickets will be
warmly welcomed! Plus if anyone has any suitable
(i.e. child friendly) animals that we could borrow for
the nursery, please let us know via the school.

And last but not least, there's the annual **Country
Fair on 17th November**. Once again the P&C will
be running the catering for this event. Parents, we
will be approaching you after the holidays to see if
you can spare some time to help out on this day.

In the meantime, happy school holidays!

Windellama SES First Aid

By Graeme McFarlane

Not much happening on the first aid side this
month which is a good thing. As I accept it will
get busy as the weather gets warmer and
people spend more time outdoors.

On the SES side of things it's been a busy
month with working bees most weekends to
prepare for the opening of the new shed and
offices at Goulburn, which will take place on
24th Sept. Thanks to all members who helped
out.

It's great to hear that Irene is recovering from
her op, from all in the first aid team, may you
have a quick recovery. 'Til next time, stay safe.

WINDELLAMA PROGRESS ASSOCIATION HALL Inc.

The paving has been completed. Many thanks to our dedicated band of workers who spent a couple of days at slave wages (actually just food and drink) to get the job finished in record time. IT LOOKS FAN-TAS-TIC. Please call in and check it out. Don't forget to let the volunteers know how great it looks.

The Monster Market Day was a great success. The Progress stall was well supported and we raised much needed funds. We have put the proceeds towards the purchase of topsoil to landscape and grass around the paving.

There will be a working bee at the Hall on Saturday 6th October, commencing at 9 a.m. We hope to finish the work we were not able to get to last time; namely painting the outdoor furniture, finishing off the toilets, creating a new garden in the playground and any of the other odds and ends that need doing.

Please consider donating even a couple of hours of your time to help keep the hall and grounds looking great. Enquiries to Cathy (4844 5554) or Frances (4844 5157). Bring the children and introduce them to volunteering early.

The next meeting of the Association will be held on Monday 15th October at 2 p.m.
