Windellama Garden Club

Our Cancer fundraising day was once again a
fun filled day with lots of yummy cakes for
auction.

We started off by auctioning a Kremer family
heirloom, a glass believed to have been used
by the Queen on her first visit to Australia;
bidding opened at \$500 and went to Shirley
Cornish for \$850. Whilst presenting the glass
to Shirley, Justin Gale the auctioneer's
sidekick, much to everyone's shock and horror
dropped it and it shattered into dozens of bits.
Graham Welch then informed us it was a trick
and the glass was one of Beryl's ordinary
glasses; and that set the tone for the rest of the
day.

We raised \$2,000 again this year, thanks to the
generosity of everyone involved, the local
business people who donated, Judy Alcock,
and the local people who come along each
year to support us. Our thanks once again to
Graham Welch and his sidekick Justin Gale
who give their Saturday free of charge.

Our next meeting will be a gardening day at
Colleen and John Ellis' at Oallen Ford Road,
Windellama. We will all bring along a picnic
lunch as Colleen has an injured shoulder.
10.30am as usual.

**Apologies to anyone affected in

Windellama News team

Windellama SES First Aid & CFR

On the CFR side of thing three callouts this
month, two here and one at Nerriga. My
congratulations go out to all team members on
the great work being done and a big thanks to
Kevin who is doing a great job as team leader
while I am off earning a quid.

On Sunday it gave me great satisfaction to
stand back while the rest of the team did their
job. It was a pleasure to see you all do as per
training. Congratulations to all.

So come on Windellama, come along and join
the first aid team. We are looking for new
people all the time as the community grows,
we need to grow as well.

Til next time stay safe

Cnr Braidwood & Bungonia Roads GOULBURN

There was another good roll up of members at this month's meeting. Some important decisions were made, including replacement of the old electric hot water system with a new gas model and the purchase of a commercial gas range, both of which will be installed in time for this year's Field Day. We are also planning some modifications to the new barbeque area to make it more user friendly.

We are still looking for extra help in the kitchen at the **monthly market**. A couple of hours once or twice a year is all we need. If you would like to become involved in the community, please ring either Bob Shaw, co-ordinator of the market day on 4844 5001, Cathy Meehan on 4944 5554 or Frances Knights on 4844 5157.

Our recent **working bee** was most productive, with necessary pruning completed. The next phase of this project will see the rabbit warrens filled in. We are also hoping to move some of the old horse yards across the oval to be turned into sheep/goat pens.

A little forward planning means our next working bee, to be held on the 12th September, will not clash with the next Landcare day. We realise weekends are precious for everyone, however a vibrant community centre is also important and some more willing hands would spread the load. The work is not specialised and all help is gratefully accepted. We put on a pretty good meal too.

Just Trivia. Unfortunately we shall be unable to hold this popular function in September as hoped. For some unknown reason when Mary was given the choice of a trip to Windellama for an evening of Trivia and a month to Europe, she chose Europe. Perhaps we can organise a combined Christmas/Trivia function after we have all recovered from the Field Day. More details later.

Our next meeting will be held at 2 p.m. on Monday 21st September. Everyone is welcome.

Frances Knights – Secretary

Field Day Meeting "Simply Sustainable"

There will be sheep dog demonstrations at the Field Day this year; along with lectures and demonstrations from many guests, including a straw bale builder. These are just some of the new ideas that have come to fruition and we hope this will make it more interesting for you all.

We have called a meeting at Windellama Hall on Thursday 10th September at 1pm.

This meeting of volunteers and interested parties is to fine tune the arrangements for your field day.

We are always interested in new ideas and would love to see some new faces. If you think you can help in any way, please come along.
